COMPANY PROFILE

A Brief Story About The Company

ABOUT US

PT Tan Surya Internasional, established in January 2025 in Bekasi, West Java, specializes in strategic investments within financial and digital media sectors, supported by an extensive network locally and internationally. Our company was founded with a passion to drive business growth and transformation through collaboration, technology, and investment innovation tailored to current market demands.

Built upon strong legal foundations, cross-industry experience, and a commitment to the highest standards of professionalism, PT Tan Surya Internasional is determined to be the partner of choice for institutions, startups, and companies seeking to strengthen their position in the global digital economy. We continue to expand our service portfolio and partnerships to ensure every client receives optimal solutions and sustainable growth.
